## OKLAHOMA!

OKLAHOMA! is a folk story. The hero is Curly, a cowboy and the heroine, Laurey, a farm girl. Laurey and Curly hide their affection for each other beneath a bantering pretense of indifference. The main plot revolves around Laurey's uncertainty of her love for Curly and her fear of Jud Fry, a rough and surly farmand who has a dangerous yearning for Laurey. A humorous sub-plot added to the play involves a young lady, Ado Annie, and her amorous experiences. But, so as not to take away from this delightful play we'll not disclose any of the actual plot or the ending. We hope you will enjoy Weston Collegiate's presentation of Rodgers and Hammerstein's famous, OKLAHOMA!
